The following, subject to completion and amendment, and save for the paragraphs in italics, is the text of the Terms and Conditions of the Bonds.

The issue of the €1,000,000,000 Zero Coupon Equity Linked Bonds due 2028 (the “**Bonds**”, which expression shall, unless otherwise indicated, include any Further Bonds (as defined below)) was (save in respect of any Further Bonds) authorised by a resolution (*delibera*) of the board of directors of Nexi S.p.A. (the “**Issuer**”) passed on 16 February 2021 and by a decision (*determina*) of the Chief Executive Officer of the Issuer dated 17 February 2021.

The Bonds are constituted by a trust deed dated 24 February 2021 (the “**Trust Deed**”) between the Issuer and Citibank, N.A., London Branch (the “**Trustee**”, which expression shall include all persons for the time being appointed as the trustee or trustees under the Trust Deed) as trustee for the Bondholders (as defined below). The statements set out in these Terms and Conditions (the “**Conditions**”) are summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bonds. The Bondholders are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and those provisions applicable to them which are contained in the Paying, Transfer and Conversion Agency Agreement dated 24 February 2021 (the “**Agency Agreement**”) relating to the Bonds between the Issuer, the Trustee and Citibank N.A., London Branch (the “**Principal Paying, Transfer and Conversion Agent**”, which expression shall include any successor as Principal Paying, Transfer and Conversion Agent under the Agency Agreement), the Paying, Transfer and Conversion Agents for the time being (such persons, together with the Principal Paying, Transfer and Conversion Agent, being referred to below as the “**Paying, Transfer and Conversion Agents**”, which expression shall include their successors as Paying, Transfer and Conversion Agents under the Agency Agreement) and Citigroup Global Markets Europe AG in its capacity as registrar in respect of the Bonds (the “**Registrar**”, which expression shall include any successor as registrar under the Agency Agreement).

The Issuer has also entered into a calculation agency agreement (the “**Calculation Agency Agreement**”) dated 24 February 2021 with Conv-Ex Advisors Limited (the “**Calculation Agent**”, which expression shall include any successor as calculation agent under the Calculation Agency Agreement) whereby the Calculation Agent has been appointed to make certain calculations in relation to the Bonds. The Bondholders are deemed to have notice of all of the provisions of the Calculation Agency Agreement applicable to them.

Copies of the Trust Deed, the Agency Agreement and the Calculation Agency Agreement are available to Bondholders upon any reasonable request for inspection during normal business hours at the specified offices of the Paying, Transfer and Conversion Agents.

Capitalised terms used but not defined in these Conditions shall have the meanings attributed to them in the Trust Deed unless the context otherwise requires or unless otherwise stated.

Each Bond will, subject to these Conditions, entitle the holder, on or after the Long-Stop Date (as defined below) (or, if earlier, and provided that the Physical Settlement Date (as defined below) has not then occurred, the occurrence of a Change of Control or Free Float Event) and prior to the Physical Settlement Date, to require the redemption of such Bond for the relevant Cash Alternative Amount (as defined below) (provided that the Physical Settlement Date does not occur prior to the Long-Stop Date) and, on or following the Physical Settlement Date (if any), to convert such Bond into Ordinary Shares, in each case in accordance with, and as described in, Condition 6.

1 **Form, Denomination, Title, Status and Guarantees**

(a) *Form and Denomination*

The Bonds are in registered form, serially numbered, in principal amounts of €100,000 each (the “**Authorised Denomination**”).

(b) *Title*

Title to the Bonds will pass by transfer and registration as described in Condition 4. The holder (as defined below) of any Bond will (except as otherwise required by law or as ordered by a court of competent jurisdiction) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or its theft or loss (or that of the related certificate, as applicable) or anything written on it or the certificate representing it (other than a duly executed transfer thereof)) and no person will be liable for so treating the holder.

(c) *Status of the Bonds*

The Bonds constitute direct, unconditional, unsubordinated and (subject to Condition 2) unsecured obligations of the Issuer ranking *pari passu* and rateably, without any preference among themselves, and equally with all other existing and future unsecured and unsubordinated obligations of the Issuer but, in the event of a winding up of the Issuer save for such obligations that may be preferred by provisions of law that are mandatory and of general application.

(d) *Guarantee and Status of the Guarantee*

(i) Subject to the provisions of Condition 1(d)(iv) below and any mandatory limitations under applicable law (including mandatory limitations that may result in such future guarantees being unable to be granted or invalid), if at any time while any Bond remains outstanding (as defined in the Trust Deed):

- a. for so long as any of the Issuer's Senior Notes due 2024 remain outstanding, any Subsidiary of the Issuer provides (or at the time it becomes a Subsidiary of the Issuer is providing) a guarantee in respect of the Senior Notes due 2024: or
- b. if none of the Senior Notes due 2024 remain outstanding:
 - (A) any Subsidiary of the Issuer guarantees any present or future Relevant Indebtedness of (1) the Issuer or (2) any other Subsidiary of the Issuer which has guaranteed Relevant Indebtedness of the Issuer; or
 - (B) any Subsidiary of the Issuer issues or has outstanding any Relevant Indebtedness which has the benefit of a guarantee from (1) the Issuer or (2) any other Subsidiary of the Issuer which has guaranteed Relevant Indebtedness of the Issuer,

then the Issuer covenants that it shall procure that each such Subsidiary (each such Subsidiary, a “**Subsidiary Guarantor**”) shall (A) use all reasonable endeavours to satisfy the Trustee’s customer acquisition due diligence and “Know Your Customer” requirements and, subject to such Subsidiary satisfying the Trustee’s customer acquisition due diligence and “Know Your Customer” requirements, (B) promptly following, and in any event no later than 30 Milan business days following, the date of the giving of such guarantee or, if later, 30 Milan business days after the date on which it becomes a Subsidiary Guarantor and is providing such a guarantee, execute and deliver a supplemental trust deed to the Trustee, such supplemental trust deed to be in form and substance satisfactory to the Trustee, and accompanied by such opinion(s) as the Trustee shall require, pursuant to which such Subsidiary shall guarantee the payment obligations of the Issuer in respect of the Bonds and the Trust Deed. Subject to the satisfaction of the other provisions of this Condition 1(d) but without any consent or direction from the Bondholders, the Trustee shall use its reasonable endeavours to effect the accession of a Subsidiary Guarantor and the giving of the Guarantee.

Following the accession of a Subsidiary Guarantor to the Trust Deed, such Subsidiary Guarantor shall be bound by these Conditions and the Trust Deed in all respects as if it had been an original party hereto and thereto. Each Subsidiary Guarantor's obligations in respect of Condition 1(d) (each, a "**Guarantee**" and together the "**Guarantees**") shall be contained in the Trust Deed, as supplemented.

Furthermore, the Issuer shall procure that such amendments are made to the Conditions and the Bonds as are necessary, in the opinion of the Trustee, to ensure that the Bonds may be guaranteed by the Subsidiary Guarantors *mutatis mutandis* in accordance with and subject to the Trust Deed with such amendments as the Trustee shall consider appropriate.

Each Guarantee will be on a joint and several basis with each other Guarantee, subject to any relevant enforceability exceptions, and to limitations on the amount and the extent of such Guarantee imposed by the laws of the relevant jurisdiction and by the criteria under this Condition 1(d) to the extent applicable.

The Trustee shall have no duty to monitor whether a Subsidiary of the Issuer is required to become a Subsidiary Guarantor pursuant to this Condition 1(d) and, until it has received express notice in writing from the Issuer of the same, shall be entitled to assume, without enquiry and without liability, that no such requirement has arisen.

- (ii) Each Guarantee will constitute direct, unconditional, unsubordinated and (subject to Condition 2) unsecured obligations of the relevant Subsidiary Guarantor ranking *pari passu* and rateably, without any preference among themselves, and equally with all other existing and future unsecured and unsubordinated obligations of the relevant Subsidiary Guarantor but, in the event of a winding up of the relevant Subsidiary Guarantor save for such obligations that may be preferred by provisions of law that are mandatory and of general application.
- (iii) Release of a Subsidiary Guarantor

A Subsidiary Guarantor shall cease to be a Guarantor in the following circumstances and upon certification of the same by the Issuer in writing to the Trustee in a certificate signed by an Authorised Signatory (as defined in the Trust Deed) of the Issuer:

- a. no Event of Default or Potential Event of Default is continuing or will result from the release of that Subsidiary Guarantor;
- b. no part of the indebtedness in respect of which that Subsidiary Guarantor is or was providing a guarantee at that time is due and payable but unpaid; and
- c. such Subsidiary Guarantor is not (or will cease to be simultaneously with such release) providing a guarantee in respect of (1) (for so long as any of the Senior Notes due 2024 remains outstanding) the indebtedness under the Issuer's Senior Notes due 2024 or (2) (if none of the Senior Notes due 2024 remain outstanding) any other Relevant Indebtedness as is referred to at Condition 1(d)(i)b. above.

Upon the Trustee's receipt of such certificate (which the Trustee may rely on without liability to any person and without enquiry), such Subsidiary Guarantor shall immediately, automatically and irrevocably be released and relieved of any obligation under its Guarantee and the Trust Deed and the Trustee shall take (at the request, cost and expense of the Issuer and such Subsidiary Guarantor and without the consent or approval of the Bondholders) any necessary action required by the Issuer and/or such Subsidiary Guarantor to effect such release. Such notice must contain a certification to the effect provided in (a) to (c) above. Notice of the

release of a Subsidiary Guarantor shall also be given to the Bondholders in accordance with Condition 17 promptly after such release. A Subsidiary Guarantor that has been released pursuant to this Condition 1(d)(iii) may subsequently be required to provide a Guarantee pursuant to Condition 1(d)(i).

- (iv) The obligations under this Condition 1(d) of each Guarantor incorporated in Italy are subject to the limitations as set out in Clause 4.4 (*Guarantee Limitations*) of the Trust Deed.

2 Negative Pledge

So long as any Bond remains outstanding (as defined in the Trust Deed), the Issuer will not create or have outstanding, and will ensure that none of its Subsidiaries will create or have outstanding, any mortgage, charge, lien, pledge or other encumbrance or security interest (each a “**Security Interest**”) other than a Permitted Encumbrance, upon the whole or any part of its present or future business, undertaking, assets or revenues (including any uncalled capital) to secure any Relevant Indebtedness or to secure any guarantee or indemnity in respect of any Relevant Indebtedness, unless in any such case, before or at the same time as the creation of the Security Interest, any and all action necessary shall have been taken to ensure that:

- (A) all amounts payable by the Issuer under the Bonds are secured equally and rateably with the Relevant Indebtedness or guarantee or indemnity, as the case may be; or
- (B) such other Security Interest or guarantee or other arrangement (whether or not including the giving of a Security Interest) is provided in respect of all amounts payable by the Issuer under the Bonds as either (i) the Trustee shall in its absolute discretion deem not materially less beneficial to the interest of the Bondholders or (ii) shall be approved by an Extraordinary Resolution of the Bondholders.

For the purposes of these Conditions, “**Permitted Encumbrance**” shall mean any Security Interest:

- (A) existing on the Closing Date, together with any replacement, renewal or extension in duration of any such Security Interests from time to time, provided that upon any such replacement, renewal or extension in duration of any Security Interest (i) the principal amount secured thereby (other than as a result of capitalisation of interest and accrual of any default interest) is not increased and (ii) such Security Interest does not extend to any additional assets of the Issuer or any of its Subsidiaries;
- (B) over or affecting any asset acquired by the Issuer or any Subsidiary after the Closing Date if (i) the Security Interest was not created in contemplation of the acquisition of that asset by the Issuer or such Subsidiary and (ii) the principal amount secured (other than as a result of capitalisation of interest and accrual of any default interest) has not been increased in contemplation of or since the date of the acquisition of that asset by the Issuer or such Subsidiary, together, in each case, with any replacement, renewal or extension in duration of that Security Interest from time to time, provided that upon any such replacement, renewal or extension in duration (i) the principal amount secured thereby (other than as a result of capitalisation of interest and accrual of any default interest) is not increased and (ii) such Security Interest does not extend to any additional assets of the Issuer or any of its Subsidiaries;
- (C) over or affecting any asset of any person which becomes a Subsidiary after the Closing Date if (i) the Security Interest was not created in contemplation of the acquisition of that person and (ii) the principal amount secured (other than as a result of capitalisation of interest and accrual of any default interest) has not increased in contemplation of or since the date of the acquisition of that person, together, in each case, with any replacement, renewal or extension in duration of that

Security Interest from time to time, provided that upon any such replacement, renewal or extension in duration (i) the principal amount secured thereby (other than as a result of capitalisation of interest and accrual of any default interest) is not increased and (ii) such Security Interest does not extend to any additional assets of the Issuer or any of its Subsidiaries;

- (D) over any asset to secure Relevant Indebtedness incurred to finance the purchase, improvement or construction of such asset provided that the only recourse the creditor of such Relevant Indebtedness has to any property of the Issuer or any Subsidiary is to that asset; or
- (E) granted prior to the last date on which any Senior Notes due 2024 were outstanding and which was at such time permitted to be granted under the terms of the Senior Notes due 2024 without the Senior Notes due 2024 thereby becoming entitled to the benefit of such (or any other) Security Interest or any other rights or protections.

The initial Conversion Price is €24.5525 per Ordinary Share. The Conversion Price is subject to adjustment in the circumstances described in Condition 6(b).

A Bondholder may exercise the Settlement Right or, from and including the Physical Settlement Date, the Conversion Right in respect of a Bond by delivering such Bond to the specified office of any Paying, Transfer and Conversion Agent in accordance with Condition 6(h) whereupon the Issuer shall (subject as provided in these Conditions) procure the delivery to, or as directed by, the relevant Bondholder of (in the case of the exercise of a Settlement Right where the relevant Settlement Date falls prior to the Physical Settlement Date) the Cash Alternative Amount or (in the case of the exercise of a Conversion Right where the relevant Conversion Date falls on or after the Physical Settlement Date) the Reference Shares, credited as paid up in full, in each case as provided in this Condition 6.

Subject to and as provided in these Conditions, the Settlement Right or, on or after the Physical Settlement Date (if any), the Conversion Right in respect of a Bond may be exercised, at the option of the holder thereof, at any time subject to any applicable fiscal or other laws or regulations and as hereinafter provided, from (and including):

- (a) (in the case of the Settlement Right) the Long-Stop Date (or, if earlier, and provided that the Physical Settlement Date has not then occurred, the date of the occurrence of a Change of Control or a Free Float Event), or
- (b) (in the case of the Conversion Right) the Physical Settlement Date,

in each case (subject as provided below) to (and including) the date falling seven days prior to the Maturity Date or, if such Bond is to be redeemed pursuant to Condition 7(b),7(c) or 7(d) prior to

the Maturity Date, then up to (and including) the date falling seven days before the date fixed for redemption thereof (in the case of redemption pursuant to Condition 7(b) or 7(d)) or the day immediately preceding the date on which the Corporate Event Notice is given (in the case of redemption pursuant to Condition 7(c)), unless in any such case there shall be a default in making payment in respect of such Bond on such date fixed for redemption, in which event the Settlement Right or, as the case may be, the Conversion Right shall extend up to (and including) the date on which the full amount of such payment becomes available for payment and notice of such availability has been duly given in accordance with Condition 17 or, if earlier, the Maturity Date or, if the Maturity Date is not a Milan business day, the immediately preceding Milan business day; provided that, in each case, if such final date for the exercise of Settlement Rights or, as the case may be, the Conversion Rights is not a business day at the place aforesaid, then the period for exercise of Settlement Rights or, as the case may be, the Conversion Rights by Bondholders shall end on the immediately preceding business day at the place aforesaid. Settlement Rights shall not be exercisable on or after the Physical Settlement Date.

Settlement Rights or, as the case may be, the Conversion Rights may not be exercised in respect of (i) any Bond following the giving of notice by the holder of such Bond pursuant to Condition 10 or (ii) a Bond in respect of which the relevant Bondholder has exercised its right to require the Issuer to redeem that Bond pursuant to Condition 7(f).

In addition, if the board of directors of the Issuer resolves to convene a shareholders' meeting, Conversion Rights in respect of a Bond may not be exercised from and including the date which, on such date, is scheduled to be the seventh dealing day preceding such shareholders' meeting up to and including the date of the shareholders' meeting (the "**Restricted Period**"). Furthermore, if the board of directors of the Issuer resolves to convene a shareholders' meeting to resolve upon the distribution of Dividends, Conversion Rights in respect of a Bond may not be exercised from and including the date which, on such date, is scheduled to be the seventh dealing day preceding such shareholders' meeting up to and including the date immediately preceding the first date on which Ordinary Shares are traded ex the relevant Dividend on the Relevant Stock Exchange (the "**Further Restricted Period**").

Notwithstanding the above, (i) neither the Restricted Period nor the Further Restricted Period may exceed a period of 40 days (ii) there shall be no Restricted Period nor Further Restricted Period with respect to any shareholder meeting which takes place less than 30 days prior to the Maturity Date. For the avoidance of doubt, if the first date on which Ordinary Shares are traded ex the relevant Dividend on the Relevant Stock Exchange falls more than 40 days after the start of the Further Restricted Period, such Further Restricted Period shall be deemed to end 40 days after the first day of the Further Restricted Period. Conversion Notices that are received during a Restricted Period or a Further Restricted Period shall be deemed not to have been delivered and shall be null and void.

The periods during which Settlement Rights or, as the case may be, Conversion Rights may (subject as provided herein) be exercised by a Bondholder are referred to as the "**Settlement Period**" and "**Conversion Period**", respectively. For the avoidance of doubt, in the event that the Physical Settlement Date falls before the Long-Stop Date, there will be no Settlement Period unless a Change of Control or Free Float Event has occurred prior to the Physical Settlement Date.

Settlement Rights and Conversion Rights may only be exercised in respect of the whole of the Authorised Denomination of a Bond.

Fractions of Ordinary Shares will not be issued or delivered on exercise of Conversion Rights or pursuant to Condition 6(c) and no cash payment or other adjustment will be made in lieu thereof. However, if the Conversion Right in respect of more than one Bond is exercised at any one time such that Ordinary Shares to be delivered on conversion or pursuant to Condition 6(c) are to be registered in the same name, the number of such Ordinary Shares to be delivered in respect thereof shall (in accordance with the definition of “Reference Shares”) be calculated by the Calculation Agent on the basis of the aggregate principal amount of such Bonds being so converted and rounded down to the nearest whole number of Ordinary Shares.

The Issuer will pay the Cash Alternative Amount not later than five TARGET Business Days following the last day of the Cash Alternative Calculation Period by transfer to a Euro account of the payee with a bank in a city in which banks have access to the TARGET System in accordance with the instructions specified by the relevant Bondholder contained in the relevant Settlement Notice.

The Issuer will procure that Ordinary Shares to be issued or delivered on exercise of Conversion Rights will be issued or delivered to the holder of the Bonds completing the relevant Conversion Notice or his nominee if and to the extent so specified in the relevant Conversion Notice. Such Ordinary Shares will be deemed to be issued or delivered as of the relevant Conversion Date. Any Additional Ordinary Shares to be issued or transferred and delivered pursuant to Condition 6(c) will be deemed to be issued or delivered as of the relevant Reference Date.

(b) *Adjustment of Conversion Price*

Upon the occurrence of any of the events described below, the Conversion Price shall be adjusted by the Calculation Agent as follows:

(i) *Consolidation, reclassification, redesignation or subdivision*

If and whenever there shall be a consolidation, reclassification, redesignation or subdivision affecting the number of Ordinary Shares in issue, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A}{B}$$

where:

- A is the aggregate number of Ordinary Shares in issue immediately before such consolidation, reclassification, redesignation or subdivision, as the case may be; and
- B is the aggregate number of Ordinary Shares in issue immediately after, and as a result of, such consolidation, reclassification, redesignation or subdivision, as the case may be.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(i), the date on which the consolidation, reclassification, redesignation or sub-division, as the case may be, takes effect.

(ii) *Capitalisation of profits or reserves*

redemption reserve (other than an issue of Ordinary Shares constituting a cash Dividend pursuant to paragraph (a) of the definition of “Dividend”) the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A}{B}$$

where:

A is the aggregate number of Ordinary Shares in issue immediately before such issue; and

B is the aggregate number of Ordinary Shares in issue immediately after such issue.
Such adjustment shall become effective on the Effective Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(ii), the date of issue of such Ordinary Shares.

(iii) *Dividends*

If and whenever the Issuer shall declare, announce, make or pay any Dividend to Shareholders, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A-B}{A}$$

where:

A is the Current Market Price of one Ordinary Share on the Ex-Date in respect of such Dividend; and

B is the portion of the Fair Market Value of the aggregate Dividend attributable to one Ordinary Share, with such portion being determined by dividing the Fair Market Value of the aggregate Dividend by the number of Ordinary Shares entitled to receive the relevant Dividend (or, in the case of a purchase, redemption or buy back of Ordinary Shares or any depositary or other receipts or certificates representing Ordinary Shares by or on behalf of the Issuer or any Subsidiary of the Issuer, by the number of Ordinary Shares in issue immediately following such purchase, redemption or buy back, and treating as not being in issue any Ordinary Shares, or any Ordinary Shares represented by depositary or other receipts or certificates, purchased, redeemed or bought back).

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(iii)(A), the later of (i) the Ex-Date in respect of such Dividend and (ii) the first date upon which the Fair Market Value of the relevant Dividend is capable of being determined as provided herein.

$$\frac{A+B}{A+C}$$

where:

- A is the number of Ordinary Shares in issue on such Ex-Date;
- B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the Ordinary Shares issued by way of rights, or for the Securities issued by way of rights and upon exercise of rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, Ordinary Shares, or for the options or warrants or other rights issued by way of rights and for the total number of Ordinary Shares deliverable on the exercise thereof, would purchase at such Current Market Price per Ordinary Share; and
- C is the number of Ordinary Shares to be issued or, as the case may be, the maximum number of Ordinary Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights or upon conversion or exchange or exercise of rights of subscription or purchase or other rights of acquisition in respect thereof at the initial conversion, exchange, subscription, purchase or acquisition price or rate;

provided that if on such Ex-Date such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of this paragraph (b)(iv), “C” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at such Ex-Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on such Ex-Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(iv), the later of (i) the Ex-Date in respect of the relevant issue or grant and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (b)(iv).

$$\frac{A - B}{A}$$

where:

A is the Current Market Price of one Ordinary Share on the Ex-Date in respect of the relevant issue or grant; and

B is the Fair Market Value on such Ex-Date of the portion of the rights attributable to one Ordinary Share.

Such adjustment shall become effective on the Effective Date.

If and whenever the Issuer shall issue (otherwise than as mentioned in paragraph (b)(iv) above) wholly for cash or for no consideration any Ordinary Shares (other than Ordinary Shares issued on conversion of the Bonds (which term shall for this purpose include any Further Bonds) or on the exercise of any rights of conversion into, or exchange or subscription for or purchase of, or rights to otherwise acquire, Ordinary Shares and other than any issue of Ordinary Shares constituting a cash Dividend pursuant to paragraph (a) of the definition of “Dividend” or if and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall issue or grant (otherwise than as mentioned in paragraph (b)(iv) above) wholly for cash or for no consideration any options, warrants or other rights to subscribe for or purchase or otherwise acquire any Ordinary Shares (other than the Bonds, which term shall for this purpose include any Further Bonds), in each case at consideration receivable per Ordinary Share (based, where appropriate, on such number of Ordinary Shares as is determined pursuant to the definition of “C” and the proviso below) which is less than 95 per cent. of the Current Market Price per Ordinary Share on the date of first public announcement of the terms of such issue or grant, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A+B}{A+C}$$

where:

- A is the number of Ordinary Shares in issue immediately before the date of first public announcement of the terms of such issue of Ordinary Shares or issue or grant of options, warrants or other rights as provided above;
- B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the issue of such Ordinary Shares or, as the case may be, for the Ordinary Shares to be issued or otherwise made available upon the exercise of any such options, warrants or rights, would purchase at such Current Market Price per Ordinary Share; and
- C is the number of Ordinary Shares to be issued pursuant to such issue of such Ordinary Shares or, as the case may be, the maximum number of Ordinary Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights;

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(iv), the later of (i) the date of issue of such Ordinary Shares or, as the case may be, the issue or grant of such options, warrants or rights and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (b)(iv).

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall (otherwise than as mentioned in paragraphs (b)(iv), (b)(v) or (b)(vi) above) issue wholly for cash or for no consideration any Securities (other than the Bonds which term shall for this purpose exclude any Further Bonds and other than where such issue of Securities is determined to constitute a cash Dividend pursuant to paragraph (a) of the definition of “Dividend” which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, purchase of, or rights to otherwise acquire, Ordinary Shares (or shall grant any such rights in respect of existing Securities so issued) or Securities which by their terms might be reclassified or redesignated as Ordinary Shares, and the consideration per Ordinary Share (based, where appropriate, on such number of Ordinary Shares as is determined pursuant to the definition of “C” and the proviso below) receivable upon conversion, exchange, subscription, purchase, acquisition, reclassification or redesignation is less than 95 per cent. of the Current Market Price per Ordinary Share on the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A+B}{A+C}$$

where:

- A is the number of Ordinary Shares in issue immediately before the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant);
- B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the Ordinary Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to such Securities or, as the case may be, for the Ordinary Shares to be issued or to arise from any such reclassification or redesignation would purchase at such Current Market Price per Ordinary Share; and
- C is the maximum number of Ordinary Shares to be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such right of subscription, purchase or acquisition attached thereto at the initial conversion, exchange, subscription, purchase or acquisition price or rate or, as the case may be, the maximum number of Ordinary Shares which may be issued or arise from any such reclassification or redesignation,

provided that if on the date of first public announcement of the terms of the issue of such Securities (or the terms of such grant) (as used in this paragraph, the “**Specified Date**”) such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or, as the case may be, such Securities are reclassified or redesignated or at such other time as may be provided), then for the purposes of this paragraph (b)(vii), “C” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition, reclassification or, as the case may be, redesignation had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(vii), the later of (i) the date of issue of such Securities or, as the case may be, the grant of such rights and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (b)(vii).

(viii) *Modification of rights*

If and whenever there shall be any modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to any Securities (other than the Bonds, which term shall for this purpose include any Further Bonds) which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, or the right to otherwise acquire, any Ordinary Shares (other than in accordance with the terms (including terms as to adjustment) applicable to such Securities upon issue) so that following such modification the consideration per Ordinary Share (based, where appropriate, on such number of Ordinary Shares as is determined pursuant to the definition of “C” and the proviso below) receivable upon conversion, exchange, subscription, purchase or acquisition has been reduced and is less than 95 per cent. of the Current Market Price per Ordinary Share on the date of first public announcement

of the terms for such modification, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Ordinary Shares in issue immediately before the date of first public announcement of the terms for such modification;
- B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the Ordinary Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to the Securities so modified would purchase at such Current Market Price per Ordinary Share or, if lower, the existing conversion, exchange, subscription, purchase or acquisition price or rate of such Securities; and
- C is the maximum number of Ordinary Shares which may be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such rights of subscription, purchase or acquisition attached thereto at the modified conversion, exchange, subscription, purchase or acquisition price or rate but giving credit in such manner as the Calculation Agent shall consider appropriate for any previous adjustment under this paragraph (b)(viii) or paragraph (b)(vii) above;

provided that if on the date of first public announcement of the terms of such modification (as used in this paragraph (b)(viii), the “**Specified Date**”) such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or at such other time as may be provided), then for the purposes of this paragraph (b)(viii), “C” shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the Specified Date.

Such adjustment shall become effective on the Effective Date.

“**Effective Date**” means, in respect of this paragraph (b)(viii), the later of (i) the date of modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to such Securities and (ii) the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this paragraph (b)(viii).

(ix) *Certain arrangements*

If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall offer any Ordinary Shares or Securities in connection with which Shareholders as a class are entitled to participate in arrangements whereby such Ordinary Shares or Securities may be acquired by them (except where the Conversion Price falls to be adjusted under paragraphs (b)(ii), (b)(iii), (b)(iv), (b)(v), (b)(vi) or (b)(vii) above or (b)(x) below (or, where applicable, would fall to be so adjusted if the relevant issue or grant was at less than 95 per cent. of the Current Market Price per Ordinary Share on the relevant day), the Conversion Price shall

be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A-B}{A}$$

where:

- A is the Current Market Price of one Ordinary Share on the Ex-Date in respect of the relevant offer; and
- B is the Fair Market Value on such Ex-Date of the portion of the relevant offer attributable to one Ordinary Share.

(x) *Change of Control or Free Float Event*

If a Change of Control or Free Float Event shall occur, then upon any exercise of Conversion Rights or Settlement Rights where the Conversion Date, or as the case may be, the Settlement Date, falls (a) during the Relevant Event Period applicable to such Change of Control or Free Float Event or (b) (where the Issuer gives an Optional Redemption Notice or Tax Redemption Notice in respect of the Bonds within 45 dealing days following the end of the Relevant Event Period) on or after the date such Optional Redemption Notice or Tax Redemption Notice is given and on or prior to the seventh day prior to the Optional Redemption Date or the Tax Redemption Date, as the case may be, the Conversion Price, solely for the purpose of such exercise of Conversion Rights or, as the case may be, Settlement Rights as aforesaid (the “**Change of Control Conversion Price**”) shall be determined by multiplying the Conversion Price in effect on the relevant Conversion Date or Settlement Date by the following fraction:

where:

- CP = means 52.50 per cent. (expressed as fraction)
- c = means the number of days from and including the date the Change of Control or Free Float Event occurs to but excluding the Maturity Date
- t = means the number of days from and including the Closing Date to but excluding the Maturity Date

(xi) *Other adjustments*

If the Issuer (following consultation with the Calculation Agent) determines that an adjustment should be made to the Conversion Price (or that a determination should be made as to whether an adjustment should be made) as a result of one or more circumstances not referred to above in this

Condition 6(b) (even if the relevant circumstance is specifically excluded from the operation of paragraphs (b)(i) to (x) above), the Issuer shall, at its own expense and acting reasonably, request an Independent Adviser to determine, in consultation with the Calculation Agent, if different as soon as practicable what adjustment (if any) to the Conversion Price is fair and reasonable to take account thereof and the date on which such adjustment (if any) should take effect and upon such determination such adjustment (if any) shall be made and shall take effect in accordance with such determination, provided that an adjustment shall only be made pursuant to this paragraph (b)(xi) if such Independent Adviser is so requested to make such a determination not more than 21 days after the date on which the relevant circumstance arises and if the adjustment would result in a reduction to the Conversion Price.

(xii) *Modifications*

Notwithstanding the foregoing provisions:

- (a) where the events or circumstances giving rise to any adjustment pursuant to this Condition 6(b) have already resulted or will result in an adjustment to the Conversion Price or where the events or circumstances giving rise to any adjustment arise by virtue of any other events or circumstances which have already given or will give rise to an adjustment to the Conversion Price or where more than one event which gives rise to an adjustment to the Conversion Price occurs within such a short period of time that in the opinion of the Issuer, following consultation with the Calculation Agent, a modification to the operation of the adjustment provisions is required to give the intended result, such modification shall be made to the operation of the adjustment provisions as may be determined in good faith by an Independent Adviser to be in its opinion appropriate to give the intended result;
- (b) such modification shall be made to the operation of these Conditions as may be determined in good faith by an Independent Adviser, in consultation with the Calculation Agent (if different), to be in its opinion appropriate (i) to ensure that an adjustment to the Conversion Price or the economic effect thereof shall not be taken into account more than once and (ii) to ensure that the economic effect of a Dividend is not taken into account more than once; and
- (c) other than pursuant to Condition 6(b)(i), no adjustment shall be made that would result in an increase to the Conversion Price.

(xiii) *Calculation of consideration*

For the purpose of any calculation of the consideration receivable or price pursuant to paragraphs (b)(iv), (b)(vi), (b)(vii) and (b)(viii), the following provisions shall apply:

- (a) the aggregate consideration receivable or price for Ordinary Shares issued for cash shall be the amount of such cash;
- (b) (x) the aggregate consideration receivable or price for Ordinary Shares to be issued or otherwise made available upon the conversion or exchange of any Securities shall be deemed to be the consideration or price received or receivable for any such Securities (whether on one or more occasions) and (y) the aggregate consideration receivable or price for Ordinary Shares to be issued or otherwise made available upon the exercise of rights of subscription attached to any Securities or upon the exercise of any options, warrants or rights shall be deemed to be that part (which may be the whole) of the consideration or price received or receivable for such Securities or, as the case may be, for such options, warrants or rights which are attributed by the Issuer to such rights of subscription or, as

the case may be, such options, warrants or rights or, if no part of such consideration or price is so attributed, the Fair Market Value of such rights of subscription or, as the case may be, such options, warrants or rights as at the relevant Ex-Date referred to in paragraph (b)(iv) or as at the relevant date of first public announcement referred to in paragraph (b)(vi), (b)(vii) or (b)(viii), as the case may be, plus in the case of each of (x) and (y) above, the additional minimum consideration receivable or price (if any) upon the conversion or exchange of such Securities, or upon the exercise of such rights of subscription attached thereto or, as the case may be, upon exercise of such options, warrants or rights and (z) the consideration receivable or price per Ordinary Share upon the conversion or exchange of, or upon the exercise of such rights of subscription attached to, such Securities or, as the case may be, upon the exercise of such options, warrants or rights shall be the aggregate consideration or price referred to in (x) or (y) above (as the case may be) divided by the number of Ordinary Shares to be issued upon such conversion or exchange or exercise at the initial conversion, exchange or subscription price or rate, all as determined in good faith by the Calculation Agent;

- (c) if the consideration or price determined pursuant to (a) or (b) above (or any component thereof) shall be expressed in a currency other than the Relevant Currency (other than in circumstances where such consideration is also expressed in the Relevant Currency, in which case such consideration shall be treated as expressed in the Relevant Currency in an amount equal to the amount of such consideration when so expressed in the Relevant Currency), it shall be converted by the Calculation Agent into the Relevant Currency at the Prevailing Rate on the relevant Ex-Date (for the purposes of paragraph (b)(iv)) or the relevant date of first public announcement (for the purposes of paragraph (b)(vi), (b)(vii) or (b)(viii), as the case may be);
- (d) in determining the consideration or price pursuant to the above, no deduction shall be made for any commissions or fees (howsoever described) or any expenses paid or incurred for any underwriting, placing or management of the issue of the relevant Ordinary Shares or Securities or options, warrants or rights, or otherwise in connection therewith;
- (e) the consideration or price shall be determined as provided above on the basis of the consideration or price received, receivable, paid or payable, regardless of whether all or part thereof is received, receivable, paid or payable by or to the Issuer or another entity;
- (f) if as part of the same transaction, Ordinary Shares shall be issued or issuable for a consideration receivable in more than one or in different currencies then the consideration receivable per Ordinary Share shall be determined by dividing the aggregate consideration (determined as aforesaid and converted, if and to the extent not in the Relevant Currency, into the Relevant Currency as aforesaid) by the aggregate number of Ordinary Shares so issued; and
- (g) references in these Conditions to “cash” includes any promise or undertaking to pay cash or any release or extinguishment of, or set-off against, a liability or obligation to pay a cash amount.

(c) *Retroactive Adjustments*

- (i) If a Retroactive Adjustment occurs in relation to any exercise of Settlement Rights in circumstances where any dealing day comprised in the Cash Alternative Calculation Period in respect of such exercise of Settlement Rights falls on or after the relevant

Applicable Date, the Issuer shall pay to the relevant Bondholder an additional amount (the “**Additional Cash Alternative Amount**”) calculated in good faith by the Calculation Agent and equal to the Market Price of such number of Ordinary Shares (rounded down if necessary to the nearest whole number of Ordinary Shares) (if any) as is equal to that by which the number of Reference Shares would have been increased if the relevant adjustment to the Conversion Price had been made and become effective immediately prior to the relevant Settlement Date, all as determined in good faith by the Calculation Agent.

The Issuer will pay the Additional Cash Alternative Amount not later than five TARGET Business Days following the relevant Reference Date by transfer to a Euro account of the payee with a bank in a city in which banks have access to the TARGET System in accordance with the instructions specified by the relevant Bondholder contained in the relevant Settlement Notice.

- (ii) If a Retroactive Adjustment occurs in relation to any exercise of Conversion Rights, the Issuer shall procure that there shall be issued or transferred and delivered to the relevant Bondholder, in accordance with the instructions contained in the relevant Conversion Notice, such additional number of Ordinary Shares (if any) (the “**Additional Ordinary Shares**”) as, together with the Ordinary Shares issued or transferred and delivered on the relevant exercise of Conversion Rights, is equal to the number of Ordinary Shares which would have been required to be issued or transferred and delivered on such exercise if the relevant adjustment to the Conversion Price had been made and become effective immediately prior to the relevant Conversion Date, all as determined in good faith by the Calculation Agent or an Independent Adviser.

(d) *Decision and Determination of the Calculation Agent or an Independent Adviser*

Adjustments to the Conversion Price shall be determined and calculated by the Calculation Agent upon request from the Issuer and/or, to the extent so specified in the Conditions and upon request from the Issuer, by an Independent Adviser.

Adjustments to the Conversion Price calculated by the Calculation Agent or, where applicable, an Independent Adviser and any other determinations made by the Calculation Agent or, where applicable, an Independent Adviser, or an opinion of an Independent Adviser, pursuant to these Conditions shall in each case be made in good faith and shall be final and binding (in the absence of manifest error) on the Issuer, the Trustee, the Bondholders, the Calculation Agent (in the case of a determination by an Independent Adviser) and the Paying, Transfer and Conversion Agents.

The Calculation Agent may consult, at the expense of the Issuer, on any matter (including, but not limited to, any legal matter), any legal or other professional adviser and it shall be able to rely upon, and it shall not be liable and shall incur no liability as against the Trustee, the Bondholders or the Paying, Transfer and Conversion Agents in respect of anything done, or omitted to be done, relating to that matter in good faith, in accordance with that adviser’s opinion.

The Calculation Agent shall act solely upon the request from, and exclusively as agent of, the Issuer and in accordance with these Conditions. Neither the Calculation Agent (acting in such capacity) nor any Independent Adviser appointed in connection with the Bonds (acting in such capacity) will thereby assume any obligations towards or relationship of agency or trust and shall not be liable and shall incur

no liability in respect of anything done, or omitted to be done in good faith, in its capacity as Calculation Agent as against the Trustee, the Bondholders or the Paying, Transfer and Conversion Agents.

If following consultation between the Issuer and the Calculation Agent any doubt shall arise as to whether an adjustment falls to be made to the Conversion Price or as to the appropriate adjustment to the Conversion Price or the date from which such adjustment shall take effect, and following consultation between the Issuer and an Independent Adviser, a written opinion of such Independent Adviser in respect thereof shall be conclusive and binding on the Issuer, the Bondholders, the Calculation Agent (if different) and the Trustee, save in the case of manifest error.

(e) *Share or Option Schemes, Dividend Reinvestment Plans*

No adjustment will be made to the Conversion Price where Ordinary Shares or other Securities (including, but not limited to, rights, warrants and options) are issued, offered, exercised, allotted, purchased, appropriated, modified or granted (i) to, or for the benefit of, employees or former employees (including directors holding or formerly holding executive office or non-executive office, consultants or former consultants, or the personal service company of any such person) or their spouses or relatives, in each case, of the Issuer or any of its Subsidiaries or any associated company or to a trustee or nominee to be held for the benefit of any such person, in any such case pursuant to any share or option or incentive scheme or (ii) pursuant to any dividend reinvestment plan or similar plan or scheme.

(f) *Rounding Down and Notice of Adjustment to the Conversion Price*

On any adjustment, the resultant Conversion Price, if not an integral multiple of €0.0001, shall be rounded down to the nearest whole multiple of €0.0001. No adjustment shall be made to the Conversion Price where such adjustment (rounded down if applicable) would be less than one per cent. of the Conversion Price then in effect. Any adjustment not required to be made and/or any amount by which the Conversion Price has been rounded down, shall be carried forward and taken into account in any subsequent adjustment, and such subsequent adjustment shall be made on the basis that the adjustment not required to be made had been made at the relevant time and/or, as the case may be, that the relevant rounding down had not been made.

Notice of any adjustments to the Conversion Price shall be given by the Issuer to Bondholders, in accordance with Condition 17, and to the Trustee promptly after the determination thereof.

The Conversion Price shall not in any event be reduced to below the nominal or par value of the Ordinary Shares or be reduced so that on conversion of the Bonds, Ordinary Shares would fall to be issued in circumstances not permitted by applicable laws or regulations. The Issuer undertakes that it shall not take any action, and shall procure that no action is taken, that would otherwise result in an adjustment to the Conversion Price to below such nominal or par value or any minimum level permitted by applicable laws or regulations or that would otherwise result in Ordinary Shares being required to be issued or transferred and delivered in circumstances not permitted by applicable laws or regulations.

(g) *Change of Control or Free Float Event*

Within 14 days following the occurrence of a Change of Control or Free Float Event, the Issuer shall give notice thereof to Bondholders in accordance with Condition 17, to the Trustee and the Principal Paying, Transfer and Conversion Agent (the “**Relevant Event Notice**”). Such notice shall contain a statement informing Bondholders of their entitlement to exercise their Settlement Rights or, as the case may be, Conversion Rights as provided in these Conditions and their entitlement to exercise their rights to require redemption of their Bonds pursuant to Condition 7(e).

Such notice shall also specify:

- (i) all information material to Bondholders concerning the Change of Control or Free Float Event, as the case may be;
- (ii) the Conversion Price immediately prior to the occurrence of the Change of Control or Free Float Event, as the case may be, and the adjusted Conversion Price applicable pursuant to Condition 6(b)(x) during the Relevant Event Period on the basis of the Conversion Price in effect immediately prior to the occurrence of the Relevant Event (but, for the avoidance of doubt, if any other Conversion Price adjustment becomes effective during the Relevant Event Period, any exercise of Conversion Rights or Settlement Rights where the relevant Settlement Date or Conversion Date, as the case may be, falls in the Relevant Event Period shall be the Conversion Price prevailing on such Settlement Date or Conversion Date, adjusted as provided in Condition 6(b)(x));
- (iii) the Closing Price of the Ordinary Shares as at the latest practicable date prior to the publication of such notice;
- (iv) the last day of the Relevant Event Period;
- (v) the Put Date; and
- (vi) such other information relating to the Relevant Event as the Trustee may require.

The Trustee shall not be required to monitor or take any steps to ascertain whether a Change of Control or Free Float Event, as the case may be, or any event which could lead to a Change of Control or Free Float Event, as the case may be, has occurred or may occur and will not be responsible or liable to Bondholders or any other person for any loss arising from any delay or failure by it to do so.

(h) Procedure for exercise of Settlement Rights and Conversion Rights

Settlement Rights or, as the case may be, Conversion Rights may be exercised by a Bondholder during the Settlement Period or the Conversion Period, respectively, by delivering the relevant Bond to the specified office of any Paying, Transfer and Conversion Agent, during its usual business hours, accompanied by a duly completed and signed notice of settlement (and such other information as the Paying, Transfer and Conversion Agent requires) (a “**Settlement Notice**”) or, as the case may be, conversion (a “**Conversion Notice**”) in the form (for the time being current) obtainable from any Paying, Transfer and Conversion Agent or, in the case of a Conversion Notice, such other form as is acceptable to the Paying, Transfer and Conversion Agent. Settlement Rights or, as the case may be, Conversion Rights shall be exercised subject in each case to any applicable fiscal or other laws or regulations applicable in the jurisdiction in which the specified office of the Paying, Transfer and Conversion Agent to whom the relevant Settlement Notice or Conversion Notice is delivered is located.

If such delivery of the relevant Bond and Settlement Notice or, as the case may be, Conversion Notice is made after the end of normal business hours or on a day which is not a business day in the place of the specified office of the relevant Paying, Transfer and Conversion Agent, such delivery shall be deemed for all purposes of these Conditions to have been made on the next following such business day in the relevant place as aforesaid.

Any determination as to whether any Settlement Notice or Conversion Notice has been duly completed and properly delivered shall be made by the relevant Paying, Transfer and Conversion Agent and shall, save in the case of manifest error, be conclusive and binding on the Issuer, the Trustee, the Paying, Transfer and Conversion Agents, the Registrar and the relevant Bondholder.

Settlement Rights or, as the case may be, Conversion Rights may only be exercised in respect of the Authorised Denomination of a Bond.

A Settlement Notice or a Conversion Notice, once delivered, shall be irrevocable.

The “**Settlement Date**” (in respect of an exercise of Settlement Rights) or the “**Conversion Date**” (in respect of an exercise of Conversion Rights) shall be the business day in Milan immediately following the date of the delivery of the relevant Bond and the Settlement Notice or, as the case may be, the Conversion Notice, as provided in this Condition 6(h).

The Issuer shall pay all capital, stamp, issue and registration and transfer taxes and duties payable in Italy, or in any other jurisdiction in which the Issuer may be domiciled or resident or to whose taxing jurisdiction it may be generally subject, in respect of the issue or transfer and delivery of any Ordinary Shares in respect of such exercise (including any Additional Ordinary Shares) including without limitation any such taxes payable in Italy pursuant to Article 1, paragraphs 491 to 500, of Law No. 228 of 24 December 2012, as amended, and implementing regulations (“**Specified Taxes**”). If the Issuer shall fail to pay any Specified Taxes, the relevant holder shall be entitled to tender and pay the same and the Issuer as a separate and independent stipulation, covenants to reimburse and indemnify each Bondholder in respect of any payment thereof and any penalties payable in respect thereof.

A Bondholder exercising Settlement Rights or Conversion Rights, as the case may be, must pay directly to the relevant authorities any capital, stamp, issue, registration and transfer taxes and duties arising on the exercise of Settlement Rights or Conversion Rights, as the case may be (other than any Specified Taxes). A Bondholder must also pay all, if any, taxes imposed on it and arising by reference to any disposal or deemed disposal by it of a Bond or interest therein in connection with the exercise of Settlement Rights or Conversion Rights, as the case may be, or by reference to any disposal or deemed disposal of ordinary Shares, by it (other than any Specified Taxes). Any such capital, stamp, issue, registration, transfer taxes or duties or other taxes payable by a Bondholder are referred to as “**Bondholder Taxes**”.

Neither the Trustee, the Calculation Agent, the Registrar nor any Paying, Transfer and Conversion Agent shall be responsible for determining whether any Specified Taxes or Bondholder Taxes are payable or the amount thereof and shall not be responsible or liable for any failure by the Issuer to pay such Specified Taxes or by a Bondholder to pay such Bondholder Taxes.

Ordinary Shares (including any Additional Ordinary Shares) to be delivered on exercise of Conversion Rights will be delivered by or on behalf of the Issuer in uncertificated form through Monte Titoli S.p.A., unless, at the time of issue, the Ordinary Shares are not a participating security in Monte Titoli S.p.A. Where Ordinary Shares are to be issued through Monte Titoli S.p.A., they will be delivered to the account specified by the relevant Bondholder in the relevant Conversion Notice by not later than seven Milan business days following the relevant Conversion Date (or, in the case of any Additional Ordinary Shares, by not later than seven Milan business days following the relevant Reference Date).

If the Ordinary Shares are not a participating security in Monte Titoli S.p.A. at the relevant time, the Ordinary Shares to be delivered on exercise of Conversion Rights will be delivered by not later than seven Milan business days following the relevant Conversion Date (or, in the case of any Additional Ordinary Shares, by not later than seven Milan business days following the relevant Reference Date) in such manner as may be in accordance with market practice, and as notified by the Issuer to Bondholders.

Notwithstanding any other provisions of these Conditions, a Bondholder exercising Conversion Rights following a Change of Control Conversion Right Amendment as described in Condition 11(b)(ii)(F) will be deemed, for the purposes of these Conditions, to have received the Ordinary Shares to be issued or

transferred and delivered arising on conversion of its Bonds in the manner provided in these Conditions, and have exchanged such Ordinary Shares for the consideration that it would have received therefor if it had exercised its Conversion Right in respect of such Bonds at the time of the occurrence of the relevant Change of Control.

(i) *Ranking and entitlement in respect of Ordinary Shares*

Ordinary Shares (including any Additional Ordinary Shares) issued or transferred and delivered on exercise of Conversion Rights will be fully paid and will in all respects rank *pari passu* with the fully paid Ordinary Shares in issue on the relevant Conversion Date or, in the case of Additional Ordinary Shares, on the relevant Reference Date, and the relevant holder shall be entitled to all rights, distribution or payments the record date or other due date for the establishment of entitlement for which falls on or after the relevant Conversion Date, or as the case may be, the relevant Reference Date, except in any such case for any right excluded by mandatory provisions of applicable law or as otherwise may be provided in these Conditions. Such Ordinary Shares or, as the case may be, Additional Ordinary Shares will not rank for (or, as the case may be, the relevant holder shall not be entitled to receive) any rights, distributions or payments the record date or other due date for the establishment of entitlement for which falls prior to the relevant Conversion Date or, as the case may be, the relevant Reference Date.

(j) *Purchase or Redemption of Ordinary Shares*

The Issuer or any Subsidiary of the Issuer may exercise such rights as they may from time to time enjoy to purchase or redeem or buy back any shares of the Issuer (including Ordinary Shares) or any depositary or other receipts or certificates representing the same without the consent of the Bondholders.

(k) *No Duty to Monitor*

None of the Trustee, the Calculation Agent, the Principal Paying, Transfer and Conversion Agent or the Registrar shall be under any duty to monitor whether any event or circumstance has happened or exists or may happen or exist and which requires or may require an adjustment to be made to the Conversion Price and will not be responsible or liable to any person for any loss arising from any failure by it to do so, nor shall the Trustee, the Principal Paying, Transfer and Conversion Agent, the Registrar or the Calculation Agent be responsible or liable to any person (other than in the case of the Calculation Agent, to the Issuer strictly in accordance with the relevant provisions of the Calculation Agency Agreement) for any determination of whether or not an adjustment to the Conversion Price is required or should be made nor as to the determination or calculation of any such adjustment.

(l) *Consolidation, Amalgamation or Merger*

Without prejudice to Condition 6(b)(x), in the case of any consolidation, amalgamation or merger (including any '*fusion*' or '*scissione*') of the Issuer with any other corporation (other than constituting a Change of Control or a consolidation, amalgamation or merger in which the Issuer is the continuing corporation) (a "**Successor in Business**"), the Issuer will forthwith give notice thereof to Bondholders and to the Trustee of such event and will take such steps as shall be required, subject to applicable law (including the execution of a deed supplemental to or amending the Trust Deed):

- (i) to ensure that the Successor in Business is substituted in place of the Issuer as the principal debtor under the Bonds and the Trust Deed;
- (ii) to ensure that each Bond then outstanding will (during the period in which Conversion Rights may be exercised) be convertible into equity share capital (or similar) of the Successor in Business, on such basis and with a Conversion Price (subject to adjustment as provided in these

Conditions) as determined in good faith by an Independent Adviser (each a “**Conversion Right Transfer**”); and

- (iii) to ensure that the Trust Deed (as so amended or supplemented if applicable) and the Conditions provide substantially the same or equivalent powers, protections, rights and benefits to the Trustee and the Bondholders following the implementation of such Succession in Business as they provided to the Trustee and the Bondholders prior to the implementation of the Succession in Business, *mutatis mutandis*, as determined by an Independent Adviser.

The satisfaction of the requirements set out in subparagraphs (i), (ii) and (iii) of this Condition 6(l) by the Issuer is herein referred to as a “**Permitted Merger**”. Notwithstanding any other provision of these Conditions, a Permitted Merger shall not result in a breach of undertaking, constitute an Event of Default or otherwise result in any breach of any provision of these Conditions or the Trust Deed. Following the occurrence of a Permitted Merger, references in these Conditions, the Trust Deed and the Agency Agreement to the “Issuer” will be construed as references to the relevant Successor in Business.

At the request of the Issuer, but subject to the Issuer’s compliance with the provisions of subparagraph (i), (ii) and (iii) of this Condition 6(l), the Trustee shall (at the expense of the Issuer), without the requirement for any consent or approval of the Bondholders, be obliged to concur with the Issuer in using its reasonable endeavours to effect any Conversion Right Transfer and the substitution and other amendments referred to in (i) and (iii) above (including, *inter alia*, the execution of a deed supplemental to or amending the Trust Deed), provided that the Trustee shall not be obliged so to concur if in the opinion of the Trustee doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the rights and/or protective provisions afforded to the Trustee in these Conditions, the Trust Deed or the Agency Agreement (including, for the avoidance of doubt, any supplemental trust deed or supplemental agency agreement) in any way.

If, following consultation with the Calculation Agent, any doubt shall arise as to how determinations, calculations or adjustments as specifically required to be performed by the Calculation Agent in these Conditions should be performed following any such consolidation, amalgamation or merger, a written opinion of an Independent Adviser in respect thereof shall be conclusive and binding on the Successor in Business, the Issuer, the Trustee, the Bondholders, the Calculation Agent and all other parties, save in the case of manifest error.

The above provisions of this Condition 6(l) will apply, *mutatis mutandis*, to any subsequent consolidations, amalgamation or mergers.

7 **Redemption and Purchase**

(a) *Final Redemption*

Unless previously purchased and cancelled, redeemed or settled or converted as herein provided, the Bonds will be redeemed at their principal amount on the Maturity Date. The Bonds may only be redeemed at the option of the Issuer prior to the Maturity Date in accordance with Condition 7(b), 7(c) or 7(d) and Bondholders may only require the Issuer to redeem the Bonds prior to the Maturity Date in accordance with Condition 7(f).

(b) *Redemption at the Option of the Issuer*

Subject as provided in Condition 7(d), on giving not less than 30 nor more than 60 days’ notice (an “**Optional Redemption Notice**”) to the Bondholders in accordance with Condition 17, to the Trustee and the Principal Paying, Transfer and Conversion Agent, the Issuer may redeem all but not some only

of the Bonds on the date (the “**Optional Redemption Date**”) specified in the Optional Redemption Notice at their principal amount:

- (i) at any time on or after 17 March 2026 (the “**First Call Date**”), if the Parity Value on each of at least 20 dealing days in any period of 30 consecutive dealing days ending no more than 7 dealing days prior to the giving of the relevant Optional Redemption Notice shall have exceeded €150,000, as verified by the Calculation Agent upon request by the Issuer; or
- (ii) at any time if, prior to the date the relevant Optional Redemption Notice is given, Settlement Rights and/or Conversion Rights shall have been exercised and/or purchases (and corresponding cancellations) and/or redemptions effected in respect of 85 per cent. or more in principal amount of the Bonds originally issued (which shall for this purpose include any Further Bonds issued prior to the date the Optional Redemption Notice is given).

On the Optional Redemption Date, the Issuer shall redeem the Bonds at their principal amount.

(c) *Redemption following non-passing of Corporate Resolutions*

If the Corporate Resolutions are not passed (including, for the avoidance of doubt, where no such resolutions are put to the shareholders or the board of directors, as the case may be) on or before the Long-Stop Date, the Issuer may at any time during the period from (but excluding) the Long-Stop Date to (and including) the tenth dealing day following the Long-Stop Date, give notice (a “**Corporate Event Notice**”) to the Bondholders, the Trustee and the Principal Paying, Transfer and Conversion Agent in accordance with Condition 17 (the “**Corporate Event Notice Deadline**”) that it will redeem all but not some only of the Bonds on the date falling 3 dealing days (assuming for this purpose that the Relevant Stock Exchange is the Italian Stock Exchange) after the end of the Fair Bond Value Calculation Period (the “**Corporate Event Redemption Date**”) at the greater of (x) 102 per cent. of their principal amount and (y) 102 per cent. of the Fair Bond Value of the Bonds.

“**Fair Bond Value**” means the price calculated by an Independent Adviser as being the average of the prices of a Bond at the close of business on each dealing day during the Fair Bond Value Calculation Period.

“**Fair Bond Value Calculation Period**” means the period of 5 consecutive dealing days commencing on the dealing day following the date of the Corporate Event Notice.

“**Corporate Resolutions**” means one or more resolutions approving and confirming the increase in the share capital of the Issuer and the disapplication (for the purposes of the relevant capital increase) of any preferential subscription rights to enable the issue of a sufficient number of new Ordinary Shares to satisfy the exercise of Conversion Rights in full (assuming a Physical Settlement Notice has been given and on the basis that a number of new Ordinary Shares equal to the Reference Shares relating to all outstanding Bonds are issuable upon conversion) passed (1) at a general meeting of Shareholders; or (2) (following delegation to the board of the requisite authorities therefor by a resolution of the Shareholders) at a meeting of the board of directors of the Issuer.

(d) *Redemption for Taxation Reasons*

At any time the Issuer may, having given not less than 30 nor more than 60 days’ notice (a “**Tax Redemption Notice**”) to the Bondholders in accordance with Condition 17, the Trustee and the Principal Paying, Transfer and Conversion Agent redeem (subject to the second following paragraph) all but not some only of the Bonds for the time being outstanding on the date (the “**Tax Redemption Date**”) specified in the Tax Redemption Notice at their principal amount, if (i) the Issuer has or will become obliged to pay additional amounts on the Bonds pursuant to Condition 9

as a result of any change in, or amendment to, the laws or regulations of Italy or any political subdivision or any authority thereof or therein having power to tax, or any change in the general application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after 17 February 2021, and (ii) such obligation cannot be avoided by the Issuer, taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Bonds then due. Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Trustee (a) a certificate signed by an Authorised Signatory of the Issuer stating that the obligation referred to in (i) above cannot be avoided by the Issuer taking reasonable measures available to it and (b) an opinion of independent legal or tax advisers of recognised international standing to the effect that such change or amendment has occurred and that the Issuer has or will be obliged to pay such additional amounts as a result thereof (irrespective of whether such amendment or change is then effective) and the Trustee shall be entitled to accept such certificate and opinion without any liability for so doing as sufficient evidence of the matters set out in (i) and (ii) above, in which event such certificate and opinion shall be conclusive and binding on the Bondholders.

On the Tax Redemption Date the Issuer shall (subject to the next following paragraph) redeem the Bonds at their principal amount.

If the Issuer gives a Tax Redemption Notice, each Bondholder will have the right to elect that his Bonds shall not be redeemed, whereupon no additional amounts shall be payable in respect thereof pursuant to Condition 9. To exercise such right, the holder of the relevant Bond must complete, sign and deposit at the specified office of any Paying, Transfer and Conversion Agent a duly completed and signed notice of election, in the form for the time being current, obtainable from the specified office of any Paying, Transfer and Conversion Agent (or such other form as is acceptable to the Paying, Transfer and Conversion Agent) together with the relevant Bonds on or before the day falling 10 days prior to the Tax Redemption Date. If such delivery is made after the end of normal business hours or on a day which is not a business day in the place of the specified office of the relevant Paying, Transfer and Conversion Agent, such delivery shall be deemed for all purposes of these Conditions to have been made on the next following such business day. Any Bond so deposited shall be returned by the relevant Paying, Transfer and Conversion Agent to the relevant Bondholder on the Tax Redemption Date endorsed to reflect the election made by such Bondholder, provided that if the deposited Bond becomes immediately due and payable before that date, the Paying, Transfer and Conversion Agent concerned shall mail the Bond by uninsured post to, and at the risk and expense of, the relevant Bondholder.

References in this Condition 7(d) to Italy shall be deemed also to refer to any jurisdiction in respect of which any undertaking or covenant equivalent to that in Condition 9 is given pursuant to Clause 14 of the Trust Deed (except that as regards such jurisdiction the words “becomes effective on or after 17 February 2021” in this Condition 7(d) above shall be replaced with the words “becomes effective after, and has not been announced on or before, the date on which any undertaking or covenant equivalent to that in Condition 9 was given pursuant to the Trust Deed)” and references in this Condition 7(d) to additional amounts payable under Condition 9 shall be deemed also to refer to additional amounts payable under any such undertaking or covenant.

(e) *Optional Redemption, Corporate Event Notice and Tax Redemption Notices*

The Issuer shall not give an Optional Redemption Notice or Tax Redemption Notice at any time during a Relevant Event Period or an Offer Period or which specifies a date for redemption falling in a Relevant Event Period or an Offer Period or the period of 21 days following the end of a Relevant Event Period or Offer Period (whether or not the relevant notice was given prior to or during such Relevant Event Period or Offer Period), and any such notice shall be invalid and of no effect (whether or not given prior to the relevant Relevant Event Period or Offer Period) and the relevant redemption shall not be made.

Any Optional Redemption Notice, Corporate Event Notice or Tax Redemption Notice shall be irrevocable. Any such notice shall specify (i) the Optional Redemption Date, the Corporate Event Redemption Date or, as the case may be, the Tax Redemption Date which shall be a Milan business day and, the price at which the Bonds will be redeemed, (ii) the Conversion Price, the aggregate principal amount of the Bonds outstanding and the Closing Price of the Ordinary Shares, in each case as at the latest practicable date prior to the publication of the Optional Redemption Notice, Corporate Event Notice or, as the case may be, the Tax Redemption Notice and (iii) the last day on which Settlement Rights or, as the case may be, Conversion Rights may be exercised by Bondholders.

“**Offer Period**” means (i) any period commencing on the date of first public announcement of an offer or tender (howsoever described) by any person or persons in respect of all or a majority of the issued and outstanding Ordinary Shares and ending on the date that offer or tender ceases to be open for acceptance or, if earlier, on which that offer or tender lapses or terminates or is withdrawn or (ii) any period commencing on the date of first public announcement of a Scheme of Arrangement relating to the acquisition of all or a majority of the issued and outstanding Ordinary Shares and ending on the date such Scheme of Arrangement is or becomes effective or, if earlier, the date such Scheme of Arrangement is cancelled or terminated.

(f) *Redemption at the Option of Bondholders upon a Change of Control or Free Float Event*

Following the occurrence of a Change of Control or Free Float Event, the holder of each Bond will have the right to require the Issuer to redeem that Bond on the Put Date at its principal amount. To exercise such right, the holder of the relevant Bond must deliver such Bond to the specified office of any Paying, Transfer and Conversion Agent, together with a duly completed and signed notice of exercise in the form for the time being current obtainable from the specified office of any Paying, Transfer and Conversion Agent (or such other form as is acceptable to the Paying, Transfer and Conversion Agent) (a “**Put Exercise Notice**”), at any time during the Relevant Event Period. If such delivery is made after the end of normal business hours or on a day which is not a business day in the place of the specified office of the relevant Paying, Transfer and Conversion Agent, such delivery shall be deemed for all purposes of these Conditions to have been made on the next

following such business day. The “**Put Date**” shall be the fourteenth day after the expiry of the Relevant Event Period.

Payment in respect of any such Bond shall be made on the Put Date by transfer to a euro account with a bank in a city in which banks have access to the TARGET System as specified by the relevant Bondholder in the relevant Put Exercise Notice.

A Put Exercise Notice, once delivered, shall be irrevocable and the Issuer shall, subject as provided above, redeem all Bonds the subject of Put Exercise Notices delivered as aforesaid on the Put Date.

(g) *Purchase*

Subject to the requirements (if any) of any stock exchange or securities market on which the Bonds may be admitted to listing and trading at the relevant time and subject to compliance with applicable laws and regulations, the Issuer or any Subsidiary of the Issuer may at any time purchase any Bonds in the open market or otherwise at any price. The Bonds so purchased, while held by or on behalf of the Issuer or any of its Subsidiaries, shall not entitle the holder to vote at any meetings of the Bondholders and shall be deemed not to be outstanding for the purposes of (among other things) calculating quorums at meetings of the Bondholders or for the purposes of Condition 14.

(h) *Cancellation*

All Bonds which are redeemed or in respect of which Conversion Rights or Settlement Rights are exercised will be cancelled and may not be reissued or resold. Subject to the requirements (if any) of any stock exchange or securities market on which the Bonds may be admitted to listing and/or trading at the relevant time and subject to compliance with all applicable laws and regulations, Bonds purchased by the Issuer or any of its Subsidiaries may be held or re-sold by the Issuer or submitted for cancellation by the Issuer or its Subsidiaries, in each case, at the Issuer’s discretion.

(i) *Multiple Notices*

If more than one notice of redemption is given pursuant to this Condition 7, the first of such notices to be given shall prevail, save that a notice given pursuant to Condition 7(f) shall prevail over a notice given pursuant to Condition 7(b) or 7(c) in circumstances where the Put Date falls prior to the Optional Redemption Date or Tax Redemption Date, as the case may be.

The Issuer reserves the right under the Agency Agreement at any time, with the prior written approval of the Trustee, to vary or terminate the appointment of any Paying, Transfer and Conversion Agent or the Registrar and appoint additional or other Paying, Transfer and Conversion Agents or another Registrar, provided that the Issuer will (i) maintain a Principal Paying, Transfer and Conversion Agent, and (ii) maintain a Registrar with a specified office outside the United Kingdom. Notice of any change in the Paying, Transfer and Conversion Agents or the Registrar or their specified offices will promptly be given by the Issuer to the Bondholders in accordance with Condition 17, the Trustee and the Principal Paying, Transfer and Conversion Agent. The Issuer reserves the right, subject to the prior written approval of the Trustee, under the Calculation Agency Agreement at any time to vary or terminate the appointment of the Calculation Agent and appoint additional or other Calculation Agents, provided that it will maintain a Calculation Agent which shall be a financial institution of international repute or a financial adviser with appropriate expertise. Notice of any change in the Calculation Agent will promptly be given by the Issuer to Bondholders in accordance with Condition 17, the Trustee and the Principal Paying, Transfer and Conversion Agent.

(i) *No charges*

Neither the Registrar nor the Paying, Transfer and Conversion Agents shall make or impose on a Bondholder any charge or commission in relation to any payment, transfer or conversion in respect of the Bonds.

(j) *Fractions*

When making payments to Bondholders, if the relevant payment is not of an amount which is a whole multiple of the smallest unit of the relevant currency in which such payment is to be made, such payment will be rounded down to the nearest unit.

The Bonds on issue will be represented by a global bond (the “**Global Bond**”) registered in the nominee name of a common depositary and held by such common depositary for Euroclear Bank SA/NV (“**Euroclear**”) and/or Clearstream Banking S.A. (“**Clearstream, Luxembourg**”).

9 **Taxation**

All payments made by or on behalf of the Issuer in respect of the Bonds shall be made free from any restriction or condition and be made without deduction or withholding for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by, or on behalf of, Italy or any political subdivision or any authority thereof or therein having power to tax, unless deduction or withholding of such taxes, duties, assessments or governmental charges is required to be made by law.

In the event that any such withholding or deduction is required to be made, the Issuer will pay such additional amounts as will result in the receipt by the Bondholders of the amounts which would otherwise have been receivable had no such withholding or deduction been required, except that no such additional amount shall be payable in relation to any payment in respect of any Bond:

- (a) to a holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Bond by reason of his having some connection with Italy otherwise than merely by holding the Bond or by the receipt of any amounts in respect of the Bond; or
- (b) to a holder who is entitled to avoid such withholding or deduction in respect of the Bond by making a declaration or any other statement to the relevant tax authority, including, but not limited to, a declaration of residence or non-residence or other similar claim for exemption; or
- (c) for or on account of any Taxes payable in respect of *imposta sostitutiva* pursuant to Italian Decree No. 239 of 1 April 1996, as amended, restated or supplemented from time to time (“**Decree 239**”), or payable pursuant to Italian Decree No. 461 of 21 November 1997, as amended, restated or supplemented from time to time, to the extent applicable; or
- (d) in all circumstances in which the procedures to obtain an exemption from *imposta sostitutiva* set forth in Decree 239 have not been met or complied with, except where such procedures have not been met or complied with due to actions or omissions of the Issuer.

References in these Conditions to principal and/or any other amounts payable in respect of the Bonds shall be deemed also to refer to any additional amounts which may be payable under this Condition or any undertaking or covenant given in addition thereto or in substitution therefor pursuant to the Trust Deed.

Notwithstanding any other provision of these Conditions, in no event will the Issuer be required to pay any additional amounts in respect of the Bonds for, or on account of, any withholding or deduction required pursuant to FATCA (including pursuant to any agreement described in Section 1471(b) of the Code) or any law implementing an intergovernmental approach to FATCA.

11 Undertakings

- (a) If the Nets Merger Effective Date falls on or before 31 October 2021, the Issuer shall give notice to the Bondholders in accordance with Condition 17 and to the Trustee as soon as reasonably practicable following the Nets Merger Effective Date.
- (b) The Issuer undertakes to use all reasonable endeavours to obtain by not later than the date falling 90 days after the Closing Date and thereafter maintain the admission to trading of the Bonds on the Vienna MTF operated by the Vienna Stock Exchange (or another internationally recognised, regularly operating, regulated or non-regulated, stock exchange or securities market in an OECD State) as determined by the Issuer provided that if the Issuer is unable to maintain such admission to trading as aforesaid, the Issuer undertakes to use all reasonable endeavours to obtain and maintain a listing and/or admission to trading for the Bonds on such other internationally recognised, regularly operating, regulated or non-regulated, stock exchange or securities market in an OECD State as the Issuer may from time to time determine. The Issuer will forthwith give notice to the Bondholders in accordance with Condition 17 and to the Trustee of the listing or delisting of the Bonds by any of such stock exchanges or securities markets.

- (c) Whilst any Settlement Right or Conversion Right remains exercisable, the Issuer will, save with the approval of an Extraordinary Resolution or with the prior written approval of the Trustee where, in its opinion, it is not materially prejudicial to the interests of the Bondholders to give such approval:
- (i) not issue or pay up any Securities, in either case by way of capitalisation of profits or reserves, other than:
 - (A) pursuant to a Scheme of Arrangement involving a reduction and cancellation of Ordinary Shares and the issue to Shareholders of an equal number of Ordinary Shares by way of capitalisation of profits or reserves; or
 - (B) pursuant to a Newco Scheme; or
 - (C) by the issue of fully paid Ordinary Shares or other Securities to Shareholders and other holders of shares in the capital of the Issuer which by their terms entitle the holders thereof to receive Ordinary Shares or other Securities on a capitalisation of profits or reserves; or
 - (D) by the issue of fully paid Ordinary Shares, issued wholly, ignoring fractional entitlements, in lieu of the whole or part of a Dividend in cash; or
 - (E) by the issue of Ordinary Shares or any equity share capital to, or for the benefit of, employees or former employees, director or executive holding or formerly holding executive office (including directors holding or formerly holding executive office or non-executive office, consultants or former consultants or the personal service company of any such person) or their spouses or relatives, in each case of the Issuer or any of its Subsidiaries or any associated company or to a trustee or nominee to be held for the benefit of any such person, in any such case pursuant to an employee, director or executive share or option or incentive scheme (a “**Permitted Issue**”),

unless, in any such case, the same constitutes a Dividend or otherwise falls to be taken into account for a determination as to whether an adjustment is to be made to the Conversion Price pursuant to Condition 6(b), regardless of whether in fact an adjustment falls to be made in respect of the relevant capitalisation, gives rise (or would, but for the provisions of Condition 6(f) relating to roundings and minimum adjustments or the carry forward of adjustments, give rise) to an adjustment to the Conversion Price;

- (ii) not modify the rights attaching to the Ordinary Shares with respect to voting, dividends or liquidation nor issue any other class of equity share capital carrying any rights which are more favourable than the rights attaching to the Ordinary Shares but so that nothing in this Condition 11(c) shall prevent:
 - (A) any consolidation, reclassification, redesignation or subdivision of the Ordinary Shares; or
 - (B) any modification of such rights which is not, in the opinion of an Independent Adviser, acting in good faith materially prejudicial to the interests of the holders of the Bonds; or
 - (C) any issue of equity share capital where the issue of such equity share capital results, or would, but for the provisions of Condition 6(f) relating to roundings and minimum adjustments or the carry forward of adjustments or, where comprising Ordinary Shares, the fact that the consideration per Ordinary Share receivable therefor is at least 95 per cent. of the Current Market Price per Ordinary Share at the relevant time for determination thereof pursuant to the relevant provisions of Condition 6(b), otherwise result, in an adjustment to the Conversion Price; or

- (D) any issue of equity share capital or modification of rights attaching to the Ordinary Shares, where prior thereto the Issuer shall have instructed an Independent Adviser to determine what (if any) adjustments should be made to the Conversion Price as being fair and reasonable to take account thereof and such Independent Adviser shall have determined in good faith either that no adjustment is required or that an adjustment resulting in a decrease in the Conversion Price is required and, if so, the new Conversion Price as a result thereof and the basis upon which such adjustment is to be made and, in any such case, the date on which the adjustment shall take effect (and so that the adjustment shall be made and shall take effect accordingly); or
 - (E) any alteration to the by-laws made in connection with the matters described in this Condition 11 or which is supplemental or incidental to any of the foregoing (including any amendment made to enable or facilitate procedures relating to such matters and any amendment dealing with the rights and obligations of holders of Securities, including Ordinary Shares, dealt with under such procedures); or
 - (F) any amendment of the by-laws (or other constitutional document) of the Issuer following or in connection with a Change of Control to ensure that any Bondholder exercising Conversion Rights where the Conversion Date falls on or after the occurrence of a Change of Control will receive, in whatever manner, the same consideration for the Ordinary Shares arising on such exercise as it would have received in respect of any Ordinary Shares had such Ordinary Shares been entitled to participate in the relevant Scheme of Arrangement or to have been submitted into, and accepted pursuant to, the relevant offer or tender (a “**Change of Control Conversion Right Amendment**”); or
 - (G) a Permitted Issue;
- (iii) except as part of or in connection with or pursuant to any employee, director or executive share or option of incentive scheme, procure that no Securities (whether issued by the Issuer or any Subsidiary of the Issuer or procured by the Issuer or any Subsidiary of the Issuer to be issued or issued by any other person pursuant to any arrangement with the Issuer or any Subsidiary of the Issuer) issued without rights to convert into, or exchange or subscribe for, Ordinary Shares shall subsequently be granted such rights exercisable at a consideration per Ordinary Share which is less than 95 per cent. of the Current Market Price per Ordinary Share at the relevant time for determination thereof pursuant to the relevant provisions of Condition 6(b) unless the same gives rise (or would, but for the provisions of Condition 6(f) relating to roundings and minimum adjustments or the carry forward of adjustments, give rise) to an adjustment to the Conversion Price and that at no time shall there be in issue Ordinary Shares of differing nominal values, save where such Ordinary Shares have the same economic rights:
 - (iv) not make any issue, grant or distribution or take or omit to take any other action if the effect thereof would be that, on the exercise of Conversion Rights, Ordinary Shares could not, under any applicable law then in effect, be legally issued as fully paid;
 - (v) not reduce its issued share capital, share premium account, or any uncalled liability in respect thereof, or any non-distributable reserves, except:
 - (A) pursuant to the terms of issue of the relevant share capital; or
 - (B) by means of a purchase or redemption of share capital of the Issuer to the extent permitted by applicable law; or
 - (C) where the reduction does not involve any distribution of assets to Shareholders; or

- (D) solely in relation to a change in the currency in which the nominal value of the Ordinary Shares is expressed; or
- (E) to create distributable reserves; or
- (F) pursuant to a Scheme of Arrangement involving a reduction and cancellation of Ordinary Shares and the issue to Shareholders of an equal number of Ordinary Shares by way of capitalisation of profits or reserves; or
- (G) as provided in Condition 11(b)(i); or
- (H) pursuant to a Newco Scheme; or
- (I) by way of transfer to reserves as permitted under applicable law; or
- (J) where the reduction is permitted by applicable law and the Trustee, acting on the advice of an Independent Adviser (acting as an expert and in good faith and upon which advice the Trustee may rely absolutely and without liability), determines that in its opinion the interests of the Bondholders will not be materially prejudiced by such reduction; or
- (K) where the reduction is permitted by applicable law and results (or, in the case of a reduction in connection with a Change of Control, will result) in (or would, but for the provisions of Condition 6(f) relating to roundings or the carry forward of adjustments, result in) an adjustment to the Conversion Price or is (or, in the case of a reduction in connection with a Change of Control, will be) otherwise taken into account for the purposes of determining whether such an adjustment should be made; or

provided that, without prejudice to the other provisions of these Conditions, the Issuer may exercise such rights as it may from time to time be entitled pursuant to applicable law to purchase, redeem or buy back its Ordinary Shares and any depositary or other receipts or certificates representing Ordinary Shares without the consent of Bondholders;

- (vi) if any offer is made to all (or as nearly as may be practicable all) Shareholders (or all (or as nearly as may be practicable all) Shareholders other than the offeror and/or any parties acting together with the offeror or any associate of the offeror to acquire the whole or any part of the issued Ordinary Shares, or if any person proposes a scheme with regard to such acquisition (other than a Newco Scheme), give notice, unless prohibited by applicable law, of such offer or scheme to the Trustee and, in accordance with Condition 17, the Bondholders at the same time as any notice thereof is sent to the Shareholders (or as soon as practicable thereafter) that details concerning such offer or scheme may be obtained from the specified offices of the Paying, Transfer and Conversion Agents and, where such an offer or scheme has been recommended by the board of directors of the Issuer, or where such an offer has become or been declared unconditional in all respects or such scheme has become effective, use all reasonable endeavours to procure that a like offer or scheme is extended to Bondholders and to the holders of any Ordinary Shares issued during the period of the offer or scheme arising out of the exercise of the Conversion Rights pursuant to these Conditions (which like offer or scheme to Bondholders shall entitle Bondholders to receive the same type and amount of consideration they would have received had they held the number of Ordinary Shares to which such Bondholders would be entitled assuming Bondholders were to exercise Conversion Rights in the relevant Relevant Event Period);
- (vii) in the event of a Newco Scheme, take (or shall procure that there is taken) all necessary action to ensure that (to the satisfaction of the Trustee) immediately after completion of the Scheme of Arrangement:

- (A) at the Issuer's option, either (a) Newco is substituted under the Bonds and the Trust Deed as principal obligor in place of the Issuer (with the Issuer providing a guarantee); or (b) Newco becomes a guarantor under the Bonds and the Trust Deed;
- (B) such amendments are made to these Conditions and the Trust Deed as are advised to the Trustee by the Independent Adviser, acting as an expert and in good faith, are necessary to ensure that the Bonds may be converted into or exchanged for cash and/or ordinary shares or units or the equivalent in Newco (or depositary or other receipts or certificates representing ordinary shares or units or the equivalent in Newco) and/or a Cash Alternative Amount *mutatis mutandis* in accordance with and subject to these Conditions;
- (C) the ordinary shares or units or equivalent of Newco (or depositary or other receipts or certificates representing ordinary shares or units or equivalents of Newco) are admitted to trading on a regulated, regularly operating, recognised stock exchange or securities market in an OECD State as determined by Newco;
- (D) the Trustee shall receive legal opinion(s) addressed to the Trustee from legal advisers of recognised national or international standing in a form satisfactory to it and including (without limitation) as to due capacity of Newco and of the Issuer and confirming that the obligations to be assumed by Newco, and as the case may be any obligations to be assumed at such time by the Issuer, under the Trust Deed (or any supplemental trust deed) are legal, valid and binding under the laws of England; and
- (E) the Trust Deed and the Conditions provide at least the same or equivalent powers, protections, rights, discretions and benefits to the Trustee and the Bondholders following the implementation of such Newco Scheme as they provided to the Trustee and the Bondholders immediately prior to the implementation of the Newco Scheme, *mutatis mutandis*,

The Trustee shall (at the expense and direction of the Issuer) be obliged to concur with the Issuer in using its reasonable endeavours to effect such substitution or grant of such guarantee and in either case making any such amendments as specified by the Independent Adviser and approved by the Trustee, provided that the Trustee shall not be obliged so to concur if, in the opinion of the Trustee, doing so would impose more onerous obligations upon it or expose it to any additional duties, responsibilities or liabilities or reduce or amend the rights and/or protective provisions afforded to the Trustee in these Conditions, the Trust Deed or the Agency Agreement (including, for the avoidance of doubt, any supplemental trust deed or supplemental agency agreement) in any way.

- (viii) use all reasonable endeavours to ensure that the Ordinary Shares issued upon exercise of Conversion Rights, if any, will, as soon as is practicable, be admitted to listing and to trading on the Relevant Stock Exchange and will be listed, quoted or dealt in, as soon as is practicable, on any other stock exchange or securities market on which the Ordinary Shares may then be listed or quoted or dealt in (but so that this undertaking shall be considered as not being breached as a result of a Change of Control (whether or not recommended or approved by the board of directors of the Issuer) that causes or gives rise to, whether following the operation of any applicable compulsory acquisition provision or otherwise, (including at the request of the person or persons controlling the Issuer as a result of the Change of Control) a de-listing of the Ordinary Shares);
- (ix) use all reasonable endeavours to ensure, at its own cost, that its issued and outstanding Ordinary Shares are admitted to listing on a regulated, regularly operating, recognised stock exchange or securities market in an OECD State (but so that this undertaking shall be considered as not being

breached as a result of a Change of Control (whether or not recommended or approved by the Board of Directors of the Issuer) that causes or gives rise to, whether following the operation of any applicable compulsory acquisition provision or otherwise, (including at the request of the person or persons controlling the Issuer as a result of the Change of Control) a de-listing of the Ordinary Shares);

- (x) at all times following the giving of a Physical Settlement Notice keep available for issue or delivery, free from pre-emptive rights out of its authorised but unissued capital, sufficient authorised but unissued Ordinary Shares (after taking account as appropriate of Ordinary Shares held by the Issuer in treasury and which are available for delivery as aforesaid and cash available to the Issuer) to enable the exercise of all Conversion Rights, and all rights of subscription and exchange for Ordinary Shares, to be satisfied in full;
- (xi) procure that it shall not become domiciled or resident in or subject generally to the taxing authority of any jurisdiction (other than Italy) unless it would not thereafter be required pursuant to then current laws and regulations to withhold or deduct for or on account of any taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of such jurisdiction or any applicable sub-division thereof or therein having power to tax in respect of any payment on or in respect of the Bonds; and
- (xii) by no later than the Closing Date (i) publish a copy of these Conditions (including a legend regarding the intended target market for the Bonds) on its website and (ii) thereafter (and for so long as any of the Bonds remain outstanding) maintain the availability of these Conditions (as the same may be amended in accordance with their terms) on such website.

The Issuer has undertaken in the Trust Deed to deliver to the Trustee annually and otherwise on request by the Trustee a certificate of an Authorised Signatory of the Issuer, as to there not having occurred an Event of Default or Potential Event of Default since the date of the last such certificate or if such event has occurred as to the details of such event and that the Issuer has complied with all its obligations under the Trust Deed and the Bonds or (if such is not the case) specifying the respects in which it has not complied. The Trustee will be entitled to rely on such certificate (without enquiry or liability to any person) and shall not be obliged to independently monitor compliance by the Issuer with the undertakings set forth in this Condition 11, nor be liable to any person for not so doing.

12 **Prescription**

Claims against the Issuer for payment in respect of the Bonds shall be prescribed and become void unless made within 10 years from the appropriate Relevant Date in respect of such payment.

Claims in respect of any other obligation in respect of the Bonds, including delivery of Ordinary Shares, shall be prescribed and become void unless made within 10 years following the due date for performance of the relevant obligations.

13 **Replacement of Bonds**

If any Bond is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of any Paying, Transfer and Conversion Agent subject to all applicable laws and stock exchange requirements, upon payment by the claimant of the expenses incurred in connection with such replacement and on such terms as to evidence, indemnity and otherwise as the Issuer may reasonably require. Mutilated or defaced Bonds must be surrendered before replacements will be issued.

14 Meetings of Bondholders, Bondholders' Representative, Modification and Waiver, Substitution

(a) Meetings of Bondholders

The Trust Deed contains provisions for convening meetings of Bondholders to consider any matter affecting their interests relating to the Bonds including provisions governing the passing of resolutions by Bondholders and the modification of any provisions of these Conditions or the Trust Deed.

All meetings of Bondholders are held in accordance with applicable provisions of Italian law (including, without limitation, the Legislative Decree no. 58 of 24 February 1998, as amended) in force at the time and the Issuer's by-laws in force from time to time. Meetings can be held in a single meeting or in multiple meetings, pursuant to Italian law.

A meeting may be convened by the Board of Directors of the Issuer, any Bondholders' representative (*rappresentante comune*) appointed pursuant to Articles 2415 and 2417 of the Italian Civil Code or, subject to any mandatory provision of Italian law, the Trustee and shall be convened by any of them (subject in the case of the Trustee to it being indemnified and/or secured and/or prefunded to its satisfaction) upon the request in writing of Bondholders holding not less than one-twentieth of the aggregate principal amount of the outstanding Bonds.

If the meeting has not been convened following such request of the Bondholders, any Bondholders' representative or the Trustee, the same may be convened by a decision of a competent court in accordance with Article 2367 of the Italian Civil Code. Every such meeting shall be held at such time and place as provided pursuant to Article 2363 of the Italian Civil Code and the by-laws of the Issuer in force from time to time.

A meeting of Bondholders will be validly held provided that there are one or more persons present, being or representing Bondholders holding:

- (i) in the case of the first meeting, at least one half of the aggregate principal amount of the outstanding Bonds; or
- (ii) in the case of a second meeting following adjournment of the first meeting for want of quorum, more than one third of the aggregate principal amount of the outstanding Bonds; or
- (iii) in the case of any subsequent meeting following any further adjournments for want of quorum or single meeting (*convocazione unica*), as the case may be, at least one fifth of the aggregate principal amount of the outstanding Bonds,

and the resolution will have to be sanctioned by one or more persons holding or representing not less than two thirds of the principal amount of the Bonds represented at the meeting. For the avoidance of doubt, each meeting will be held as a sole call meeting or as a multiple call meeting depending on the applicable provisions of Italian law and the Issuer's by-laws in force from time to time.

Notwithstanding the above, if the business of a meeting of Bondholders includes consideration of any of the following proposals: (i) to change the Maturity Date, the First Call Date (other than deferring the First Call Date), (ii) to reduce the amount of principal of the Bonds or to alter the method of calculating the amount of any payment in respect of the Bonds on redemption or maturity or the date for any such payment, (iii) to increase the Conversion Price other than in accordance with these Conditions, (iv) to change the currency of any payment in respect of the Bonds, (v) to modify the provisions relating to, or cancel, the Settlement Rights or Conversion Rights (other than pursuant to or as a result of any amendments to these Conditions made pursuant to and in accordance with the provisions of Condition 11(c)(vii) (such amendments referred to herein as a "**Newco Scheme Modification**" or in connection

with a Permitted Merger pursuant to Condition 6(l)) and other than a reduction to the Conversion Price), or (vi) to modify the circumstances in which the Issuer or Bondholders are entitled to redeem the Bonds pursuant to Condition 7(b),(c), (d), or (f), (vii) to change the governing law of the Bonds, the Trust Deed, the Agency Agreement or the Calculation Agency Agreement, (viii) to modify the provisions concerning the quorum required at any meeting of Bondholders or the majority required to pass an Extraordinary Resolution (as defined below) or any other resolution, (ix) to amend this definition of Reserved Matter or (x) any other matter provided under Article 2415, paragraph 1, item 2 of the Italian Civil Code (each of the matters referred to in (i) to (x) above, a “**Reserved Matter**”), then the resolution will have to be sanctioned by a resolution (an “**Extraordinary Resolution**”) to be approved in any meeting by the greater of (i) at least one-half of the principal amount of the Bonds for the time being outstanding in accordance with Article 2415, paragraph 3, of the Italian Civil Code and Italian law, and (ii) one or more persons holding or representing not less than two thirds of the principal amount of the Bonds represented at the meeting, provided that the by-laws of the Issuer may from time to time require a higher majority in compliance with Italian law (which shall be indicated in the notice convening the relevant meeting).

No consent or approval of Bondholders shall be required in connection with any Newco Scheme Modification or the substitution of a Successor in Business in connection with a Permitted Merger.

Any resolution duly passed at a meeting of Bondholders shall be binding on all the Bondholders, whether or not they were present at the meeting at which such resolution was passed.

(b) *Bondholders’ Representative*

A representative of the Bondholders (*rappresentante comune*) (the “**Bondholders’ Representative**”), subject to applicable provisions of Italian law, may be appointed pursuant to Articles 2415 and 2417 of the Italian Civil Code in order to represent the Bondholders’ interests under these Conditions and to give effect to resolutions passed at a meeting of the Bondholders. If the Bondholders’ Representative is not appointed by a meeting of such Bondholders, the Bondholders’ Representative shall be appointed by a decree of the court where the Issuer has its registered office at the request of one or more Bondholders or at the request of the Board of Directors of the Issuer. The Bondholders’ Representative shall remain appointed for a maximum period of three years but may be reappointed again thereafter and shall have the powers and duties set out in Article 2418 of the Italian Civil Code.

(c) *Modification and Waiver*
