Milan, 3 November 2020 - Nexi, Italy's leading digital payments provider, will be in the limelight at this edition of the **Il Salone dei Pagamenti** event.

Paolo Bertoluzzo, Group CEO, will be keynote speaker at the opening plenary session on November 4th at 9.30 am, where he will illustrate the strategic value of the recent **memorandum of understanding signed with SIA**, at both national and European level, explain the advantages of the deal for Nexi's partner banks and illustrate the process of transformation that has allowed Nexi to establish itself as a leader in the sector with a range of innovative solutions in all segments of the market.

Renato Martini, Digital Banking Solutions Director, will take part in the plenary session on 5/11 dedicated to **open banking**, where he will explain the opportunities for banks in the new international market scenario and delve into Nexi's range with details of the partnership with CBI and the most strategic partnerships that Nexi has struck with the domestic and foreign operators who have joined Nexi Open.

Enrico Trovati - Merchant Services & Solutions Director - and **Andrea Mencarini** - Cards & Digital Payments Director, Commercial Division Director - will lead the **Italy Cashless Plan workshop** on 5/11, where they will explain how Nexi can support banks in Italy in taking advantage of the opportunities offered by the cashback bonus initiative promoted by the Italian government.

In addition, Nexi will speak at another **12 parallel sessions** that will explore various topics related to digital payments, from e-commerce to central bank digital currencies, payments for the government, corporate payments and more. The complete programme is available on the [Il Salone dei Pagamenti](#) event website.

Finally, for this digital edition of the event, Nexi has once again set up **a stand**: it will be in virtual form and will allow visitors to discover the latest product and service news launched by the PayTech firm.

Nexi, listed on the MTA market of Borsa Italiana, is Italy's leading PayTech company, operating in consolidated partnerships with around 150 banking institutions. Through its technology it connects banks, merchants and citizens, enabling digital payments. Nexi's mission is to make every payment digital and facilitate Italy's development. Nexi operates in three market segments: Merchant Services & Solutions, Cards & Digital Payments and Digital Banking Solutions.

Merchant Services & Solutions: Nexi, together with its partner banks, serves approximately 900,000 merchants; Cards & Digital Payments: Nexi and its partner banks manage 41.6 million payment cards; Digital Banking Solutions: Nexi manages 13,100 ATMs, approximately 469 thousand e-banking stations and 947 million transactions in clearing services in 2019. It has also developed the open banking system in collaboration with CBI, to which the main Italian banks have already adhered.
